75 minutes	Grade 9 Science NOT ADMINISTERED in 2020-2021
80 minutes	Grade 9 Social Studies NOT ADMINISTERED in 2020-2021

The Grade 6 Mathematics Part(ie) A and B is administered over 90 minutes. With the principal's approval, students can take a break/recess between Part(ie) A and B and determine the flexibility regarding the length of the break. All provincial achievement test administration rules and policies must be maintained. The amount of time consumed by a break is not included in the total provincial achievement test-taking time.

The Grade 9 Mathematics Part(ie) A and B is administered over 110 minutes. With the principal's approval, students can take a break/recess between Part(ie) A and B and determine the flexibility regarding the length of the break. All provincial achievement test administration rules and policies must be maintained. The amount of time consumed by a break is not included in the total provincial achievement test-taking time.

Superintendents may establish administration schedules where Part(ie) A and B of the Grades 6 and 9 Mathematics Provincial Achievement Tests are administered on different days.
